**The Jeff Dailey Memorial Foundation** was founded in 2008

**1985 - 2007**

to honor a wonderful young man who left us in the prime of his life. Jeff was a 2004 graduate of Notre Dame High School in Easton, PA. He was a stellar basketball player and is enshrined in both the Notre Dame High School and the Lehigh Valley Basketball Halls of Fame. Jeff attended Cabrini College for two years and was a member of the men's basketball team before transferring to East Stroudsburg University. Jeff died tragically in a house fire on November 8, 2007 while a student there. He is remembered as a true leader, both on and off the basketball court. He inspired others with his

quiet confidence and his passion for the game of basketball. He cared deeply for his family, friends and teammates and he will forever remain in the hearts of those he loved and of those who loved him. Jeff was a great son, brother, friend, and teammate who embodied the phrase ***"I am my brothers' keeper."*** His spirit will be kept alive through the good works made possible through the Jeff Dailey Memorial Foundation. Each year a golf tournament is held to honor Jeff and to raise money to support the Foundation. It is through the hard work and dedication of many volunteers as well as the generosity of our many corporate sponsors, companies and individuals that allow us to do so many good things throughout our community.

***We are proud to say that 100% of all monies raised by the Jeff Dailey Memorial Foundation are used to further the work of the Foundation.***
