Jeff Dailey was a 2004 graduate of Notre Dame High School, Green Pond, where he played varsity basketball for four years and became the school's all-time leading scorer. In 2008 Jeff was inducted into the Lehigh Valley Basketball Hall of Fame. He attended Cabrini College where he was a member of the mens' basketball team for two years before transferring to East Stroudsburg University. Jeff was a true leader, both on and off the basketball court.

He inspired others with his quiet confidence and his passion for the game. He cared deeply for his family and friends and he will forever remain in the hearts of those he loved and of those who loved him. Jeff was a great son, brother, friend, and teammate who embodied the phrase...

"I am my brothers' keeper".

His spirit will be kept alive through the good works made possible through his memorial foundation.

Our team, Garrett's Gladiators,
is raising money for the Leukemia and
Lymphoma Society (LLS) Light the Night
Fundraiser in honor of Garrett.

Garrett was diagnosed with acute Lymphoblastic Leukemia (ALL) at the age of 7. He is now a thriving 12 year old, thanks to the life-saving medicine he received, much of which was funded by the LLS. The LLS is investing \$175 million over the next 5 years, through Children's Initiative, which will provide research and better treatments for children with blood cancer.

Please consider donating in honor of Garrett by using the link below.
