Jeff was a 2004 graduate of Notre Dame High School, Green Pond, where he played varsity basketball for four years and became the school's all-time leading scorer. In 2008 Jeff was inducted into the Lehigh Valley Basketball Hall of Fame. He attended Cabrini College where he was a member of the mens' basketball team for two years before transferring to East Stroudsburg University. Jeff was a true leader, both on and off the basketball court. He inspired others with his quiet confidence and his passion for the game. He cared deeply for his family and friends and he will forever remain in the hearts of those he loved and of those who loved him. Jeff was a great son, brother, friend, and teammate who embodied the phrase...

"I am my brothers' keeper".

His spirit will be kept alive through the good works made possible through his memorial foundation.

We welcome and thank all our friends who have supported this tournament in the past and we hope you continue to help make this event a huge success in future years in honor of Jeff.

Tournament Committee

THANK YOU... to all our family, friends, sponsors and golfers for making today's event a huge success.
