Jeff was a 2004 graduate of Notre Dame High School, Green Pond, where he played varsity basketball for four years and became the school's all-time leading scorer. In 2008 Jeff was inducted into the Lehigh Valley Basketball Hall of Fame. He attended Cabrini College where he was a member of the mens' basketball team for two years before transferring to East Stroudsburg University. Jeff was a true leader, both on and off the basketball court. He inspired others with his

quiet confidence and his passion for the game. He cared deeply for his family and friends and he will forever remain in the hearts of those he loved and of those who loved him. Jeff was a great son, brother, friend, and teammate who embodied the phrase...

"I am my brothers' keeper".

His spirit will be kept alive through the good works made possible through his memorial foundation.

Welcome Back Golfers!

Due to the Covid-19 Pandemic, the 13th Annual JDMF Golf Tournament originally scheduled for June 19, 2020 was cancelled. Our thoughts and prayers go out to all who were affected by the Covid-19 virus. We are glad to have you all back for this year's special event. We thank all of you for supporting this tournament and we hope you continue to help us make this event a huge success in honor of our son, brother, teammate, and friend, Jeff.

PLAY LOUD

WITHOUT LIMITS.

It's time to rethink what an acoustic-electric guitar can do. The Martin SC-13E was designed from the ground up to ensure the limitations of a conventional acoustic guitar. Now you can play loud all the way up the neck, play longer, and play louder without limits. Learn more at www.martinguitar.com/sc13e
